HERE'S WHAT WE'VE BEEN DOING...

Wow, has it been more than a month since our first newsletter?

We served a lovely soup and quiche lunch to the wonderful Cranbrook community in March, we've had two amazing Jazz Kitchens courtesy of Jennifer Maslin Music and welcomed back Julien for our pop up at Dandelion Time in Maidstone. Here's the Buddha bowl we served!

The Sankey's takeover was a roaring success. Steve created a superb menu using our surplus ingredients and a wild card ingredient, no surprise here...
he brought mackerel with him!

The café was full and the atmosphere was fantastic.

We are incredibly grateful to the team who gave their time, skill and fish to support us. We took a record amount of money that night which will help us to keep the lights on and the door open.

We have a gorgeous article coming up in the June edition of Kent Life magazine, it was an absolute pleasure to chat to them, I can't wait to get my hands on a copy.

Canapes for Thompson Snell & Passmore were another feature last month. I hope you will agree it's amazing what can be created with food that would be destined for landfill. Events like these are a treat for us, we know we can create amazing dishes and love seeing the look of surprise when people, who haven't heard of us and our mission, hear that the food they have just enjoyed was at risk of being thrown away!

Of all the food wasted in one year, just 25% could feed all of the hungry people in the world.

Thank you for your continued support, Charlie and the Angels..
